Where was photo taken? Iowa State Fair Campground

1. What did you plan to learn or do? What was your photography goal?

Fly my drone safely and take good pictures. To get a cool picture at the best state fair.

2. What did you do? Explain what you did so the judge easily understands it. What steps did you take?

First I took the drone off carefully from our camper. Then I flew it towards the entrance and took a picture of the State Fair water tower.

3. Tell us about your camera. Did you use: ☒ digital camera ☐ phone/tablet ☐ film camera

Brand and model DJI Mini 2 SE Drone

What lens did you use? 35mm lens

(Example: 18-55 mm, zoom, telephoto, wide, front-facing, etc.)

What changes did you make to the original photo to create the final exhibit? List any edits and explain your decisions. (Editing examples: color, exposure, cropping, straightening, size of photo, etc.)
Edited photos should include a copy of the photo before any changes were made.

I cropped it out to focus more on the fair tower.

Who selected the matting or mounting? Why?

I did because it looks clean

Who matted or mounted the photo?

mpix

4. What were the most important things you learned?

To take good clear and good looking pictures while also being careful.

5. What story does this photo tell? How does it make you feel?

The importance the State Fair is too ~~too~~ us. Happy because it's almost State fair time
